

Evelyn Timmerman, new commissioner of finance, is shown keeping the student body budget books. She replaces Lee Yancey who dropped college to go into business in Watsonville and Salinas.

Budget for Next Year Announced By Commission

The Hartnell College football machine for the fall of 1949 will bring in the heaviest income of next year's budget and will also be the heaviest expenditure, it was shown this week by the 1949-50 estimated budget drawn up by the student commission.

Football receipts are predicted as 41 per cent of the total income of the year, or \$9,150. This total income will be slashed down by the approximate football expenditures of \$6,350 which is 27 per cent of the total expenditures. A profit of \$2,800 on football is left to be used on other expenses.

Student body dues was classed as second money maker for the college with an estimated \$6,060 income. This is 27 per cent of the total estimated income.

Total Income \$22,268.87

Total income of the year will be balanced with an expense of \$22,268.87. During the year the budget will be revised, allowing for any discrepancies. The second big spender next to the football season will be La Reata, the college yearbook. It costs approximately \$2,500 to publish it but it will derive around \$1,125 from students who buy the books. The rest is from the student body dues which allow for part payment of the annual.

Panther Sentinel was next on the list of expenses with \$2,150 all-weekly school publication. The Sentinel partly supports itself by drawing in more than \$800 in advertising.

Basketball Fourth Expenditure

Estimated at taking in \$850, basketball has an allowed expense account of \$1600, making it fourth on the list of high expenses. Besides that, \$125 will be spent on basketball awards.

Two lowest expenses is \$10 to the Alpha Gamma Sigma and \$35 for washing machine expenses in the athletic department.

Wins Scholarship

Joyce Anderson, La Reata editor, has received a \$300 P.T.A. scholarship from the California Congress of Parents and Teachers. The scholarship is renewable for a period not to exceed four and one-half years, with the stipulation that the applicant must train for a teaching credential and plan to teach in the public elementary schools of California.

It is reported that Joyce with an average of 2.81, which is mighty close to a straight "A," has the highest grade point average in Hartnell College this year.

Clubs Organize Into Council

Representatives of Hartnell clubs and organizations will meet today at 10 o'clock to discuss the more successful phases of the carnival which took place last Friday night and will also start organization of the Hartnell interclub council.

First part of the hour will be spent discussing the faults and good points of the carnival and making suggestions for next year's carnival. Since the carnival was a big success, it will be an annual affair.

Suggestions and plans will be placed in a folder for use next spring. Mr. Richard Carlisle will be in charge of the first part of the meeting and the idea is to make next year's carnival "bigger, better and a lot more fun," he said.

Second half of the meeting will be spent in organizing and planning for the Hartnell interclub council, which will get under way next year. Purpose of the council will be to organize the various activities of clubs and organizations under one group so that big affairs, such as the carnival and high school senior day will have better co-ordination. Activities throughout the year will be timed better, also.

The council will have officers, and be governed like a club. It has been suggested that a constitution be written. All members will be representatives, usually the president, of college clubs. Mr. Harold Ulrici will be faculty sponsor.

Mr. Ulrici has suggested that each club have only one representative because a small group can work much more efficiently.

Commission Rules Out UGC Picnic This Year

The annual U.G.C. picnic will not be held this spring. This was decided by the student body commission at its Tuesday meeting, after conferring with Miss June Handley, U.G.C. advisor. The action was taken because of students' conduct at picnics in the past three years.

Miss June Handley, advisor of U.G.C., was present at the commission meeting to find out definitely whether or not the annual spring picnic was to be held this year.

Commission members felt that the picnic could be channeled into the carnival and it will become the annual spring event instead.

In the future the men's representative will work with the head of the P.E. department in buying and awarding the athletic blocks and honors. From now on, athletes will be asked to pay the difference of their award if it is different

Carnival Rated Success; Will Be Annual Affair

"A big success." "I never had so much fun in all my life." "I hope they have a carnival again next year." Yes, there'll be a carnival again next year. And the year after. Because of the popularity of the show, the Men's Club has been encouraged to make it an annual affair.

Over \$300 was grossed from the event. The expenses were high but still a profit was realized. Part of this will go into the fund for building a student union building and part will be kept by the clubs.

Most clubs made profits of \$10 to \$25. The fried artichokes, of the Newman Club were the talk of the evening. People were still begging for the recipe, it is reported. Other concessions, such as the "Ham and Eggs," put on by Delta Psi Omega, were equally popular.

Late Filing For Graduates May 11

Any student who believes that he can qualify for graduation in June, and who has not yet filed his application for graduation, may file a late application by 4 p.m., Wednesday, May 11. Absolutely no application will be accepted after that date, President J. B. Lemos said yesterday.

Petitions Should Be Filed By 4 p.m. Wed., May 11

Deadline for filing petitions for student body officers will be Wednesday, May 11, 4 o'clock, which means that students have only four more days to get petitions, find 50 signers and turn them into the main office.

Nominees will be checked for scholarship and student body eligibility by Mr. Jerry Girdner, director of guidance and counseling. Persons who sign petitions must be students in good standing. All nominating petitions must be approved by the election committee and the commission advisor.

Petitions still may be taken out for president, vice-president, secretary, commissioner of public relations, who must be approved by the publications advisor; commissioner of social activities, who will supervise all student social activities and act as chairman of the social activities committee; women's representative, who is in charge of all business pertaining to women's activities; men's representative, who serves in the same capacity for the men, and the Sophomore class representative, who represents the interests of the Sophomore class.

Acceptable nominees will make speeches in their own behalf at a student body assembly on Friday, May 13, at 11 o'clock.

The following week, May 16 and 17, the primary election will be held and the run-off or general election will take place on Thursday and Friday, May 19 and 20.

First petition taken out last week was for Wayne Ingols who is running for the position of commissioner of social activities. His nominating petition was taken out by Honey Harris.

Yesterday, petitions were taken out for Gardner Pond, vice-president, and Roy Taylor, Sophomore class representative.

Over 200 Expected At Spring Prom In Santa Cruz

A crowd of more than 200 will fill the Garden Room of the Casa Del Rey tonight when the annual Spring Prom begins at 8 o'clock. Wayne Ingols is in charge of the seating arrangements. Anyone wishing special seating should see him.

Flower girl favors, with curly hair and bouquets of real flowers, will deck the tables and lend still more beauty to the flower-strewn Garden Room.

Favors were made by a committee headed by Sue Rycraft, and composed by Frances Delucchi, Donna Greaves and Aliee Paige. Lorraine Hanson supplied the flowers and made the bouquets for the girls.

Couples will be seated at tables of varying size. All the tables for six couples have been taken, as are those for only two. Twenty-six alumni are planning to attend the dinner and dance. Ten married couples have bought bids. Pres. and Mrs. J. B. Lemos, Mr. and Mrs. Leon Amyx, Mr. and Mrs. Herbert W. Crow, and Mr. and Mrs. Lorell McCann will attend from the faculty.

The Garden Room orchestra will provide for the "swing and sway" part of the evening.

Navy Air Corps Lt. To Show Movies

Lieut. Roland Newman of the naval air corps will be here Friday, May 6, at 11 a.m., in room 7 to interview student interested in careers in the naval flight program. He will show moving pictures of naval aviation while he's here.

Amyx Chairman Of Exhibits at Fair

Mr. Leon Amyx has been appointed Salinas chairman of the exhibits to be presented at the state fair in August. Entries will be chosen from kindergarten classes through Hartnell. Some works other than art will be included. Since the fair is during the summer, entries are being worked on now.

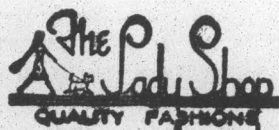

Hartnell A. and M. will offer exhibits in woodwork and radio. Paintings that have been done this year will be included in the Hartnell division.

Be A Hero; Lifeguards Wanted

With the summer beach and swimming pool season approaching, the Los Angeles city recreation and park department is looking for husky young swimmers to work as pool and beach lifeguards, according to a new civil service bulletin.

The pool guard jobs will be open to men and women over 18 years of age who can meet the physical qualifications and pass civil service tests for swimming ability and knowledge of rescue work and first aid. The pay will be \$1.21 per hour. Applications must be filed by Thursday, May 12, at 5 p.m., at the civil service offices in the Los Angeles City Hall.

Tests have also been announced for men and women recreation directors to work at the playgrounds of the Los Angeles city recreation and park department. Late date for filing for these jobs is Tuesday, May 10.

Address applications to: Los Angeles City Recreation and Park Department, 305 L.A. City Hall, attention Samuel L. Friedman.

PICNIC . . .

from any award the team gets.

Commission members gave their approval and acceptance to the 1949-50 budget. Additions next year will be a swimming program at the new pool and a couple of operettas will be produced by the music department. A proposed change in student body dues from \$7 per semester to \$8 fall semester and \$6 spring semester will be

Art Club to Go to Big Sur May 13-15

Art Club members are taking themselves to the ocean to camp and paint. The tentative date set for the excursion is Friday, May 13, until Sunday, May 15. Big Sur will be the destination.

Unless tents can be secured, the artists will sleep in the open air as well as eat their own cooking. Painting is the main objective of the trip, but for those who have the time, there will be opportunity to swim, fish, hike, and go horse-back riding.

Part of the expenses of the trip will be handled by the treasury of the Art Club.

brought before the school administration.

In the coming elections, student voters will be asked to submit a woman's name and a man's name and a reason why they think this person deserves the Meritorious Service Award. Names may be picked from either the Sophomore or Freshman classes.

An impartial committee consisting of faculty members and students will pick or narrow the field down and final elections for this award will be held the latter part of this month.

Commission members have asked Miss Luella Hall, Mr. John B. Lemos, Mr. Henry Cassady, Mr. Richard T. Carlisle, Miss Ada Bassi, George White, Art Ackerman, Laurine Nielson, and Moreland Johnson to serve on this committee.

WEE GEE

By ANNABELLE

Remember last Friday about this time? High school seniors crawling all over the place. Halls were so crowded you had to take five after maneuvering from the music wing to the cafe. Many of the visitors gave their approval of the campus, but one or two odd ones said, "Give it back to Hartnell." That's gratitude, then again they were probably juniors who sneaked out.

La Reata staff is putting on a high-powered campaign to sell the remaining pledge cards. There are a few books left that weren't sold last semester and editors of the book are out to make sure everyone is reading, or looking at, a yearbook at the end of May.

What did you think of the Campus Carnival last week end? General consensus of opinion is that it was a success and make it an annual affair for sure. Cascaroni booth run by the U.G.C. seemed to be the biggest hit. You got it right on the head and confetti down the back. Students who worked in the booths that evening and helped with the preparations and decorations during the day had just as much fun as the crowd that came.

Men's Club was also able to see what improvements and additional ideas can be used. Next spring an even bigger Carnival may be planned. Laurels go to Mr. Richard Carlisle, Morey Johnson, and the Men's Club for their brainstorm and hard work. If you saw the very original ideas and decorations used on the club booths, you know they should receive compliments, too.

Most skiers are through for the season as far as snow is concerned. Cal Corey and Bob White can ascertain the fact since they went up to Yosemite last week end. Water was too cold for swimming and snow too warm at Badger for skiing. Even rope tows are out of commission until December next year. What the Hartnell club ought to do now is take to water skiing which is quite a feat in itself. A lot of the junior colleges in the southern part of the state turn to the water when the winter season is over and the financial end of the sport is lower. Just have to latch on some water wings.

What? It can even happen to a plane. Flying Club members had to change a flat the other day.

"Strike two! Ouch! Broke my fingernail!" No kidding glamazons are out for softball practice. The girls so far have been working out on Tuesday afternoons. Later on they plan to play Gonzales, Watsonville, or King City. The team isn't connected with the college P.E. department.

Don't let a catastrophe overtake you next Friday. It is the 13th.

A folk dance club is the newest edition to Hartnell organizations. Election of officers is coming up. Faye Schneider and Donnalee Greaves are taking care of the organizing and say that Russian costumes will be used in some of the dances.

Now is the time to show school spirit and interest with coming student body elections. The first week for taking out petitions has slipped by and very few petitions were taken out. A lot more petitions and nominations should be in the making. With more candidates, campaigns will be more spirited. If you ask a student, who has been here four or more semesters, about campaigning he will tell about the spirit here long about the spring of '47. Free pretzels and beer (root) were served by one enterprising politician.

She might question tonight as he takes her to the formal:

Alice: "Why didn't you shave before taking me to the prom?"

Tommy: "I did."

Alice: "When?"

Tommy: "Just before I came over to wait for you."

Despite rumors and reports, no one was left behind when the Psych classes took their little field trip Tuesday.

A sports editor's thought for the day. "There are three kinds of women. The beautiful, the intelligent, and the majority."

See you in the Garden Room tonight at 8 o'clock. Keep it safe on the highways, too, because we want to see you back in the halls Monday morning.

Have You Tried Pepsi?

FRIDAY, JUNE 10

10:00 - 1:00
Rehearsal for Graduation (Graduation 8 p.m.)

EDITORIAL

In one week the student body members of Hartnell College will determine the type of government that will prevail at the college next year. It is your responsibility to see that the proper people are nominated for the student body offices, and then to get out and vote for them.

Petitions for these offices have been in circulation for the past week. After the signatures of 50 students in good standing are received, the petitions should be turned in to Mr. Jerry Girdner. All nominating petitions must be approved by the election committee and the commission advisor, Mr. Girdner. Petitions will be checked for scholarship and student body membership eligibility.

May 16 and 17 are the dates set for the primary election, while the general election will be held on May 19 and 20. Voting is the most effective way of expressing your ideas and personal opinions through the persons to whom you give the power of office.

Get those petitions out and circulated, and then get yourself to the polls on election days and vote.

Speaks to Class

Mr. Stanley Milford, principal of the two Salinas junior high schools, spoke to Mr. Karl Bengston's education class on Wednesday.

"Three Cornered Moon" Set for May 25, 26, 27

Hartnell Players under the direction of Mr. Harold Ulrici are hard at work on the second and third acts of "Three-Cornered Moon" which will be presented in the Little Theater May 25, 26, and 27.

"Three-Cornered Moon" is a light, fast-moving comedy which should appeal to all types of students. It is about a wealthy family which has absolutely no interest in life and spends much time thinking up ways of committing suicide. When they lose all their money in the stock market crash, they come to life, and begin doing things.

The mother, who will be played by Donna Musler, is a lightheaded irresponsible individual with no business ability. Anything at all realistic or serious completely confuses her. Her family reflects her outlook on life, and shows the effects of not having any real object in life.

Cast members were very pleased with the audience reaction at the preview given on visiting day, especially since the play was only in the third week of rehearsals. The cast has had a difficult adjustment to make, because of the complete contrast to "Antigone."

Mrs. Cook Photos In Art Gallery

Photographic prints by Mrs. Wilma Cook, editor of the Carmel Pine Cone, are now on display in the Art Gallery. Mrs. Cook is an advanced student in photography at Hartnell. Among the 16 prints on display are scenes of Carmel Valley, the San Juan Road, Corral de Tierra, the desert, and Canada.

According to Mr. W. J. McCallum, these prints are good examples of balance, composition, and print quality. The exhibit will be on display until May 10.

Panthers Drop Ord Tilt 16-12

In a wide-open slugfest with the Provisional Company of Fort Ord, the Panthers went down in defeat 16-12 on the Hartnell College diamond. It was the last game for the Panthers on their home field.

The home team jumped into a 2-0 lead in the first inning, but in the third the soldiers came up with three and then the lead changed hands twice more before the visitors jumped all over Jim Collins for six hits and eight runs in the fifth.

Bob Jefferson came in and put out the fire for the time being but the provisional team got to him for four runs in the top of the seventh to ice the game. The Panthers made a final bid for the game in the bottom of the same inning but the rally still fell way short of the mark even after the Panthers scored seven runs.

Tomorrow the Panthers journey to Stockton to play the Cubs and wind up the 1949 season.

Hartnell Ends Baseball Season With Cubs; Deis, Green in Modesto Meet

Track Team Gets 1 Point For Ninth Spot in Relays

A distance medley relay team composed of Fred Mantoufel, Les Hiserman, Del Deis, and Dave Delucchi rang up a fourth place and one point to take ninth place among the junior colleges represented at the Annual Cal Poly Royal Relays in San Luis Obispo over the week end. Fourteen junior colleges, mostly from Southern California, participated in the meet.

Los Angeles City College walked off with all the honors, scoring more than 55 points, while Riverside and Santa Ana took practically all the remaining points between themselves. Los Angeles City College swept the high jump with four men clearing more than 6 feet 4 inches to take places. The three southern schools also took all the places in the open century in a blanket finish, 9.8.

Coach Ed Adams, while meeting with some of the coaches of

the San Joaquin Valley and Southern California, made arrangements for a number of basketball games that he hopes will create better relations among the schools and possibly raise the attendance at all games.

Monterey Peninsula College will also be included in the arrangement and each school will play both nights, the first night in Monterey and the second in Salinas. The home team will then play the feature event and the visiting club the preliminary. Visalia, Fresno, and Bakersfield have been included in the arrangements so far.

Hartnell College baseball season comes to a welcome close tomorrow afternoon when the Panthers journey to Stockton to play the Cubs a doubleheader and pull the curtain on the current season. The games that had been previously scheduled with the Stanford Frosh and the Cal Frosh have been canceled.

Stockton isn't faring much better than the Panthers thus far in the season, but have just been strengthened by the return of two pitchers who had been ineligible until now.

The starting line-up will be the same with Pat Alexander at first, Charlie Happ at second, Cliff Cracknell on short, and Bob Jefferson at third. Bill Cooke, Jim Micheletti, and Casalegno will compose the outfield trio, and John Alsop will do the catching. Don Neilsen probably will start on the hill for the visitors.

Track at Modesto

On the cinder paths, Del Deis and Loren Green will represent Hartnell College in the NJCC finals at Modesto on Saturday night. Deis will run the mile and Green will toss the discus. These two were the only Hartnell men to place in the Southern section meet in Salinas two weeks ago.

After the Modesto meet, the Panthers will enter the West Coast Relays at Fresno the following week end. At that meet the Panthers compete against schools with less than one thousand enrollment. All of the competition will be divided according to the enrollment of the college so that no school will be able to walk off with all the points.

The Fresno Relays will mark the end of all Hartnell sports for the year unless someone does well enough in either the Modesto meet or the Fresno meet to be entered in the national junior college meet in Phoenix.

HC Nine Loses Two Games to City College

By dropping two conference games to San Francisco City College, the Hartnell Panther baseball squad made its bid for the cellar position but will probably find it impossible as long as Monterey Peninsula College is in the conference. The scores of the two games were 2-1 and 13-5.

The first game was a real pitchers' duel between Lefty Don Neilsen and Bob Keifer of City College. Neilsen got up only six hits while Keifer was even stingier, giving the Panthers but four bingles. A double by B'kantz, the Ram shortstop, followed by a one-base blow by Burkhol, the home team backstop, spelled defeat in the last of the ninth for Neilsen.

The Ram nine booted the ball around five times during the course of the game, but the Panthers could not capitalize even once for a score on the miscues.

Bill Cooke collected two singles, in getting half the Panthers' hits.

while "Cas" Casalegno crossed the home plate for Hartnell's only score. The second tilt was a wide open affair, with the Rams banging out hits off Pat Alexander and Jim Collins to take an easy decision.

The Panthers have sorely missed the hitting power of their classy shortstop since he broke his leg in the San Jose State Frosh game, although Charlie Happ and Cliff Cracknell have been working well together as a keystone combination. Hal Giacomazzi will also be out for the remainder of the season with a sore arm.

The Panther squad has dwindled down to practically nothing. They have a hard time fielding a team for each game.
